## Book Summary

In *America First, Updated Edition*, Rachel Lebowitz provides a comprehensive and insightful analysis of the rise of nationalism and political division in the United States. Drawing on extensive research and interviews, Lebowitz traces the historical roots of these trends and examines their impact on American society and politics.

The book begins by exploring the historical roots of nationalism in the United States. Lebowitz argues that nationalism has been a central force in American history, from the founding of the nation to the present day. However, she also shows how nationalism has taken on new and more dangerous forms in recent years.

Lebowitz then examines the impact of nationalism on American politics. She shows how nationalism has led to the rise of right-wing populism and the decline of moderate politics. She also explores the role of nationalism in the rise of Donald Trump and the alt-right.

The final section of the book looks at the future of nationalism in the United States. Lebowitz argues that nationalism is a threat to American

democracy. She calls for a renewed commitment to pluralism and inclusivity in Free Download to counter the rise of nationalism.

## **About the Author**

Rachel Lebowitz is a professor of political science at the University of California, Berkeley. She is the author of several books on American politics, including *The Rise and Fall of American Liberalism* and *The Politics of Identity*.
