Embark on an unforgettable adventure to the North Pole and experience the magic of the Arctic firsthand.

The North Pole is a place of mystery and wonder, a place where few have ventured and even fewer have experienced its true beauty.

Byrd Igloo Polar Adventure offers an exclusive expedition to the North Pole, where you'll have the opportunity to learn to build igloos, go ice fishing, and encounter Arctic wildlife all while immersed in the breathtaking landscape of the North Pole.

Our expedition begins in Resolute, Canada, where we'll board a charter flight to the North Pole. Once we arrive, we'll set up our camp and begin our adventure.

One of the highlights of our expedition is learning to build igloos. Igloos are traditional Arctic shelters made of snow, and they provide a warm and comfortable place to sleep in even the coldest temperatures.

We'll also spend time ice fishing. Ice fishing is a popular Arctic activity, and it's a great way to catch fresh fish for dinner.

Of course, no trip to the North Pole would be complete without encountering Arctic wildlife. We'll keep an eye out for polar bears, walruses, seals, and other Arctic animals.

Our expedition is designed to provide you with the ultimate Arctic experience. We'll take care of all the details, so you can focus on enjoying your adventure.

What's Included in the Expedition?
