Trapping is an ancient practice that has been used for centuries to procure food, fur, and protect livestock. However, the art of trapping has evolved significantly in recent years, and modern trappers now have access to a wide range of advanced techniques and strategies.

Classic Guide For The Modern Trapper is the definitive guide to trapping for the 21st century. This comprehensive book covers every aspect of trapping, from choosing the right gear to setting traps in various environments. Readers will learn how to identify and target different species, and how to humanely dispatch and process their catch.

Author and experienced trapper Bob Noonan shares his hard-earned knowledge and insights throughout the book. He provides detailed instructions on a variety of trapping methods, including:

- Foot trapping
- Body gripping
- Snares
- Cage traps

Noonan also covers important topics such as:

- Trap placement
- Baiting and scent control
- Trapping ethics
- Wildlife regulations

Whether you are a seasoned trapper or just starting out, *Classic Guide For The Modern Trapper* is the essential resource you need. This comprehensive guide will help you to improve your trapping skills, increase your success rate, and enjoy the rewards of this time-honored tradition.
