In the high-stakes world of international espionage, loyalty and betrayal are often two sides of the same coin. Rosemary Edghill's *Darktraders* is a gripping tale that explores the complex and dangerous world of spies, where nothing is as it seems and trust can be a deadly liability.

The novel follows the story of Anya, a brilliant young woman who is recruited by the CIA to become a spy. Anya is driven by a desire to make a difference in the world, but she soon learns that the world of espionage is far more dangerous and morally ambiguous than she could have ever imagined.

As Anya rises through the ranks of the CIA, she finds herself entangled in a web of deceit and betrayal. She must navigate a treacherous landscape where friends can become enemies in an instant, and where the truth is often elusive.

Edghill's writing is taut and suspenseful, and she keeps the reader guessing until the very end. *Darktraders* is a fast-paced thriller that will keep you on the edge of your seat from beginning to end.

Praise for *Darktraders*

“*Darktraders* is a gripping tale of espionage and betrayal that will keep you on the edge of your seat from beginning to end. Rosemary Edghill has crafted a complex and dangerous world where nothing is as it seems and trust can be a deadly liability.” —**Publishers Weekly**

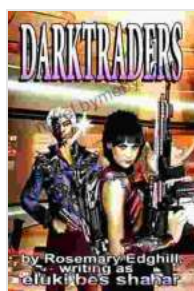

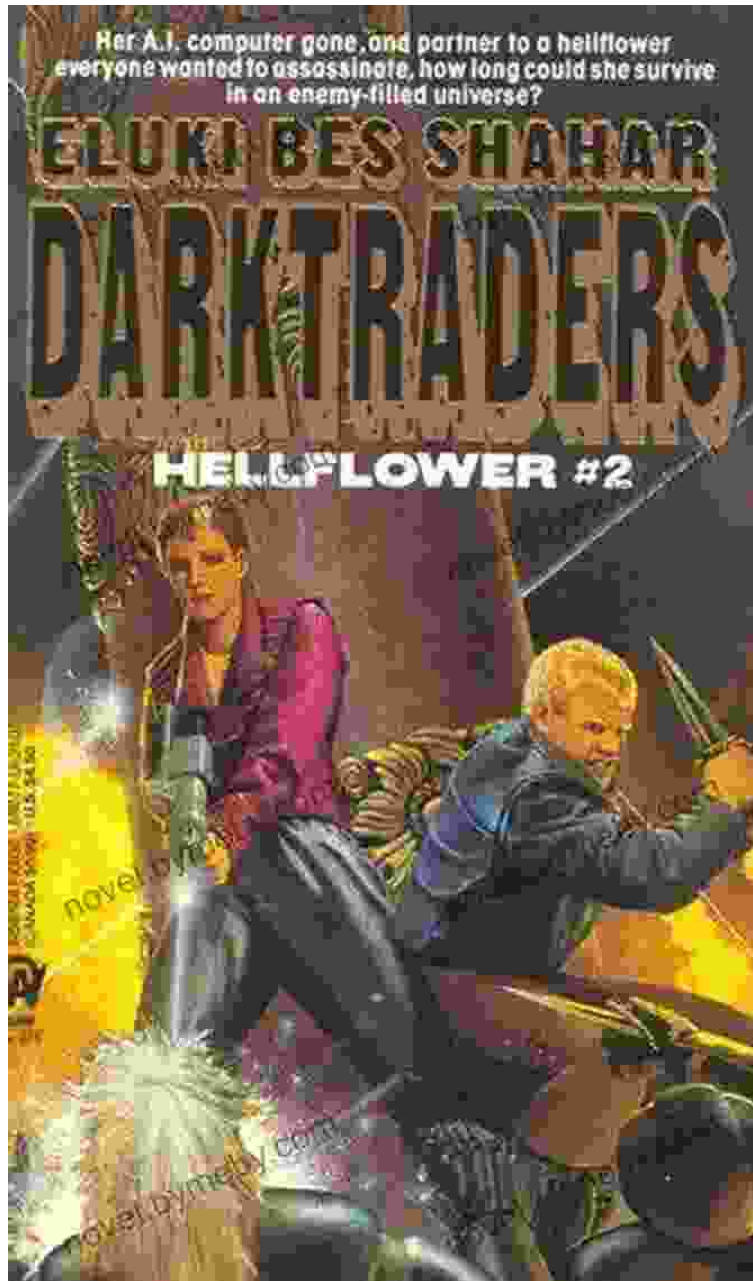

“Edghill delivers a fast-paced, suspenseful thriller that will keep readers guessing until the very end. *Darktraders* is a must-read for fans of espionage and international intrigue.” —**Booklist**
