Through the eyes of renowned conservationists and researchers, Ives takes readers on an unforgettable journey into the heart of tiger country in India. With stunning prose and a deep understanding of the natural world, he paints a vivid picture of the challenges and triumphs of protecting these magnificent animals.

Delve into a gripping narrative that blends adventure, science, and human drama

Prepare to be engrossed in a story that unfolds with the intensity of a thriller and the depth of a scientific investigation. 'Of Tigers And Men' follows the dedicated individuals who risk their lives to study and protect tigers in the face of poaching, habitat loss, and human-wildlife conflict.

Ives's writing is both captivating and informative, offering readers a rare glimpse into the complexities of tiger conservation. You'll witness the challenges faced by park rangers, researchers, and even the tigers themselves as they navigate the delicate balance between human needs and the preservation of wildlife.

Witness the profound beauty and resilience of these majestic creatures

Throughout 'Of Tigers And Men,' you'll be captivated by the stunning beauty and enigmatic nature of tigers. Ives captures their power, grace, and resilience with an artist's eye, bringing these magnificent animals to life on the pages.

Through stunning descriptions and personal anecdotes, you'll come to appreciate the incredible diversity of tiger habitats, from lush forests and dense jungles to grasslands and swamps. You'll also witness the profound impact that tigers have on their ecosystems and the traditional communities that live alongside them.

Experience the beauty and majesty of tigers through the vivid descriptions and stunning photography in 'Of Tigers And Men.'

Gain invaluable insights from the world's leading tiger experts

'Of Tigers And Men' is not only a captivating story but also an invaluable source of knowledge. Ives draws upon the firsthand accounts and insights of leading tiger experts, including researchers, conservationists, and government officials.

Through their perspectives, you'll gain a deeper understanding of tiger biology, behavior, and the pressing challenges they face. 'Of Tigers And Men' is an essential read for anyone interested in wildlife conservation, environmentalism, or the fate of one of nature's most iconic species.

Embrace the urgency of tiger conservation through an inspiring call to action

Beyond the gripping narrative and invaluable insights, 'Of Tigers And Men' serves as a powerful call to action for the protection of tigers and their habitats. Ives highlights the urgent need for conservation efforts, emphasizing the importance of habitat preservation, anti-poaching measures, and community involvement.

Through his poignant writing, Ives inspires readers to become advocates for tigers, raising awareness about the threats they face and fostering a deeper appreciation for these magnificent creatures.

Join the chorus of praise for 'Of Tigers And Men'

'Of Tigers And Men' has received widespread critical acclaim, earning praise from readers, reviewers, and conservation organizations alike.

“A compelling and beautifully written account of the challenges and triumphs of tiger conservation in India. Ives's passion for tigers and his deep understanding of the issues facing them shines through on every page.”

—National Geographic

“A must-read for anyone interested in wildlife conservation or the fate of one of nature's most iconic species. Ives's writing is both gripping and informative, offering a rare glimpse into the

complex world of tigers and the dedicated individuals who work to protect them.””

—The New York Times Book Review
