

Gain Levels, Kill Monsters, Survive the Apocalypse - But at What Cost?

In a world ravaged by an apocalyptic event, humanity has been reduced to living in small, isolated communities. The only way to survive is to band together and fight off the hordes of monsters that roam the land.

The Cost of Survival: Gain levels, kill monsters, survive the apocalypse. But at what cost? (The System Apocalypse Book 3) by Tao Wong

But in this new world, there is a catch. As you gain levels and power, you must also confront the dark side of the system. The more powerful you become, the more you are tempted to use your power for evil. Will you become a hero or a monster yourself?

This is the central question at the heart of **Gain Levels, Kill Monsters, Survive the Apocalypse - But at What Cost?**, a new role-playing game that explores the dark side of survival.

In the game, you play as a survivor of the apocalypse who must fight to survive in a world overrun by monsters. As you gain levels, you will become more powerful, but you will also be tempted to use your power for evil. The choices you make will determine whether you become a hero or a monster.

Gain Levels, Kill Monsters, Survive the Apocalypse - But at What Cost? is a unique and challenging role-playing game that will test your morals and your limits. It is a game that will stay with you long after you finish playing.
