### **Chapter 1: Getting to Know Barbados**

Barbados is a small island nation located in the Caribbean Sea. It is about 21 miles long and 14 miles wide, with a total area of 166 square miles. Barbados is surrounded by the Atlantic Ocean to the east and the Caribbean Sea to the west. The island is relatively flat, with a few rolling

hills. The highest point on the island is Mount Hillaby, which is 1,104 feet tall.

Barbados has a tropical climate, with average temperatures ranging from 75 to 85 degrees Fahrenheit throughout the year. The island is also known for its beautiful beaches, which are some of the best in the Caribbean. The beaches are made up of white sand and crystal-clear waters, and they are perfect for swimming, sunbathing, and snorkeling.

Barbados is a popular tourist destination, and it is easy to see why. The island has something to offer everyone, from stunning beaches and lush tropical vegetation to a rich culture and history. Whether you are looking for a relaxing beach vacation or an adventure-filled getaway, Barbados is the perfect destination.
