- Generate passive income and supplement your retirement savings

- Protect your assets from taxes and inflation
- Enjoy a more fulfilling and flexible retirement lifestyle

## **Unleash the Power of Passive Income**

One of the key principles of nonconformist retirement planning is generating passive income. Passive income is income that continues to flow in, even when you're not actively working. This can provide you with financial security and the freedom to pursue your passions.

In this book, you'll discover proven strategies for creating passive income, including:

- Real estate investing
- Dividend-paying stocks
- Annuities
- Online businesses

## **Protect Your Assets from Taxes and Inflation**

Taxes and inflation can erode your retirement savings over time. Nonconformist retirement planning involves taking proactive steps to safeguard your assets. This book provides practical advice on:

- Tax-efficient retirement accounts
- Roth conversions
- Life insurance
- Investment strategies that hedge against inflation

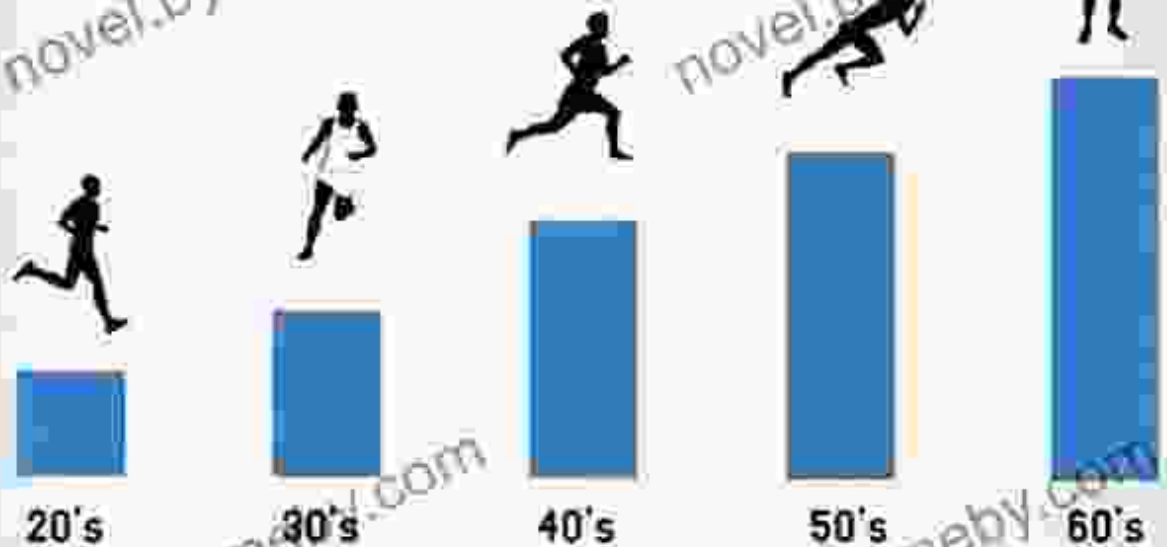

## **Embrace a Fulfilling and Flexible Lifestyle**

Retirement should be a time to enjoy life, not just a financial milestone. Nonconformist retirement planning emphasizes creating a lifestyle that aligns with your values and aspirations. This book offers insights on:

- Designing a retirement lifestyle that fosters purpose and fulfillment
- Balancing work and leisure to maximize enjoyment
- Managing your health and well-being in retirement
- Creating a flexible retirement plan that can adapt to life's surprises

## How to adjust your retirement plan as you age

- Start saving early
- Choose an asset allocation to reach your goals
- Never compromise on contributions
- Use catch-up contributions to speed up savings
- Develop an income strategy to outlast your retirement reserves

### 20's

- Start an IRA account**
- Every qualified employer 401(k) plan with a 401(k) plan
  - In the absence of a 401(k), establish an IRA account
