In Jane Doe's hilarious and heartwarming new novel, *Three Weddings And An Alien*, protagonist Sarah finds herself in just this situation. When her ex-boyfriend, Josh, invites her to his wedding, she's surprised and a little bit hurt. But she agrees to go, hoping to show him that she's moved on.

But when she meets Josh's new fiancée, Sarah is shocked to discover that she's an alien. And not just any alien, but a beautiful, intelligent, and charming alien. Sarah is immediately drawn to her, and she can't help but wonder if she's made a mistake in letting Josh go.

As the wedding day approaches, Sarah finds herself torn between her feelings for Josh and her growing attraction to the alien. She knows that she can't have both, but she doesn't want to lose either.

In the end, Sarah must make a choice. Will she choose the safe and familiar path with Josh, or will she take a chance on love with the alien?
