In the early years, the Redskins were led by quarterback Sammy Baugh, one of the greatest players in NFL history. Baugh was a master of the passing game, and he led the Redskins to six NFL championships in the 1930s and 1940s.

The Glory Years

The 1980s and 1990s were the golden age of Redskins football. Led by legendary coach Joe Gibbs, the Redskins won three Super Bowls in a span of 12 years. The team was led by a cast of stars, including quarterback Joe Theismann, running back John Riggins, and wide receiver Art Monk.

The Redskins' success during this era was due in large part to Gibbs' innovative coaching style. Gibbs was a master motivator, and he was able to get the most out of his players. He also pioneered the use of the West Coast offense, which became one of the most successful offensive schemes in NFL history.

The Modern Era
