Unveiling the Truth

The Bible speaks clearly about the existence of demonic forces that can oppress human beings. These unseen enemies operate in the realm of the spirit, seeking to steal, kill, and destroy all that God has created. They can manifest in various ways, including:

- Physical ailments and illnesses
- Emotional turmoil and depression
- Financial setbacks and poverty
- Relationship problems and discord
- Spiritual dryness and lack of purpose

In addition to demonic oppression, Dr. Carter also explores the concept of spiritual debt. This refers to the consequences we face when we sin or allow sin to enter our lives. Spiritual debt can block our prayers, hinder our spiritual growth, and give demonic forces a foothold in our lives.

Dr. Carter draws upon real-life stories and case studies to demonstrate the transformative power of deliverance. She empowers readers to:
