Webster's fear held him back from exploring the wonders of the city. He avoided shadowy corners, shied away from buzzing creatures, and cowered in the tiniest of spaces. One ordinary day, as Webster ventured out of his hiding spot, he stumbled upon a group of his friends.

Hermie the caterpillar, Squirmy the worm, and Flick the beetle were engrossed in an exciting game. Curiosity got the better of Webster, but his fear threatened to overwhelm him. However, something within him stirred. He longed to join his friends, to feel the joy of camaraderie.

With trembling legs, Webster approached the group. Hermie, the wise caterpillar, noticed Webster's hesitation and gently invited him to play. Summoning all his courage, Webster took a tentative step forward.

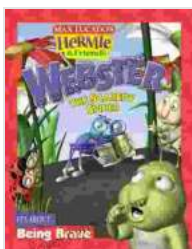

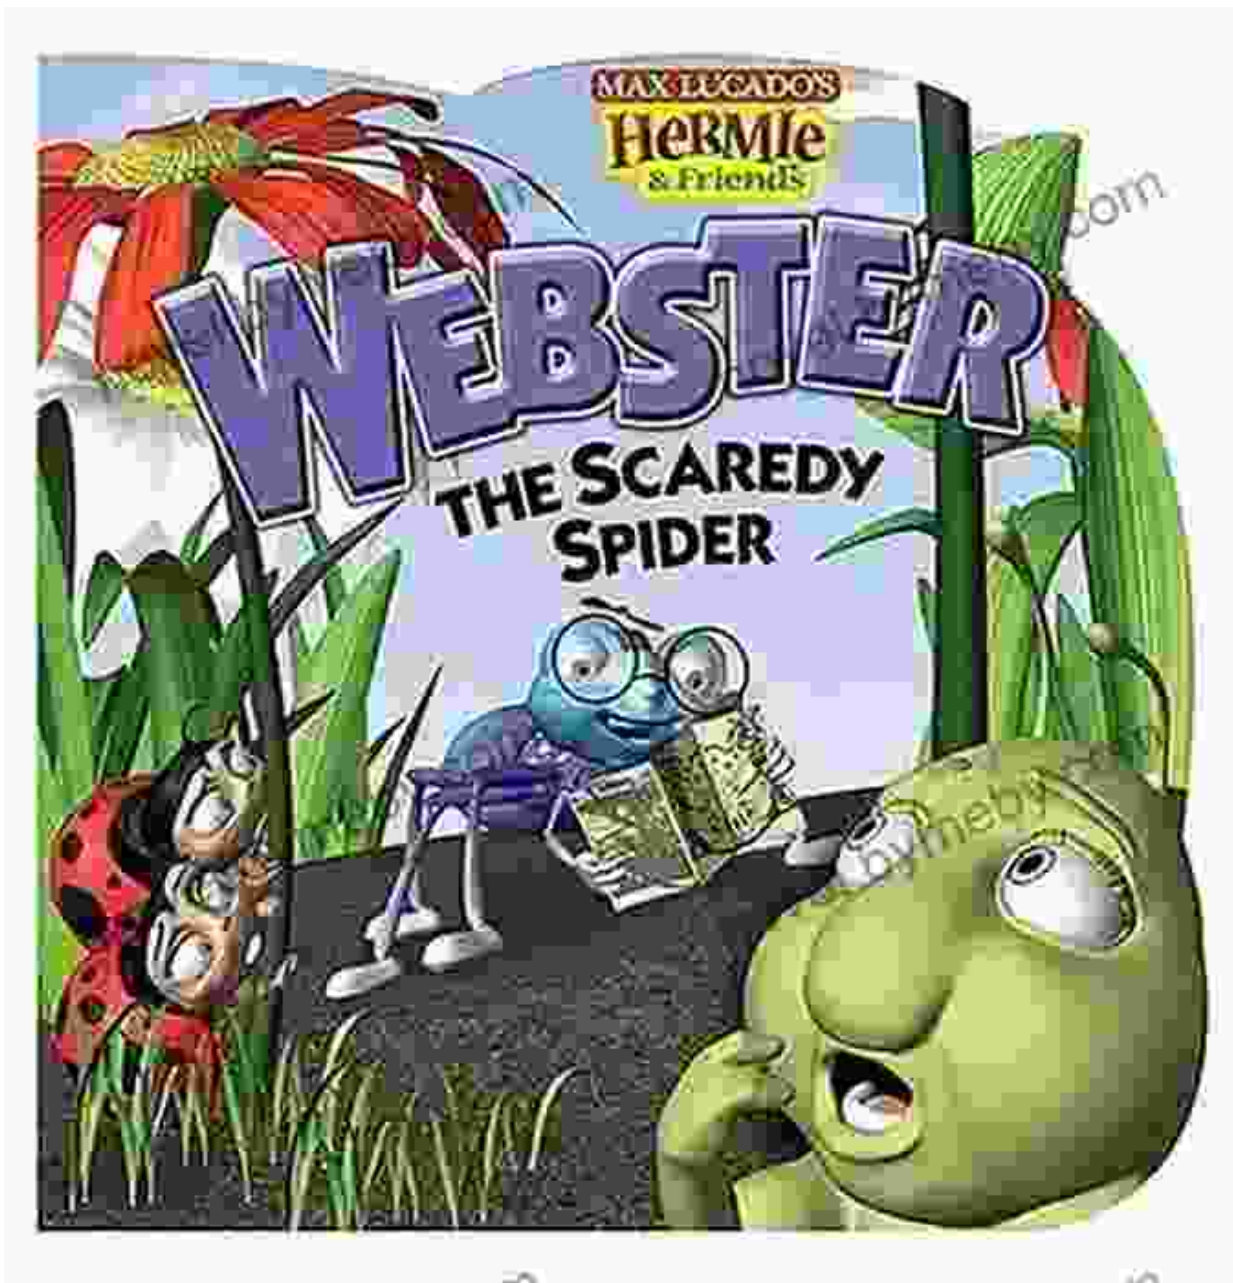

As the game unfolded, Webster's fear began to dissipate. The laughter of his friends eased his anxiety. He discovered that his imagination had inflated the dangers that once seemed so daunting.

Through the laughter and adventures, Webster realized that true courage does not mean the absence of fear, but the ability to face it head-on. With newfound confidence, he embraced the challenges that once paralyzed him.
